TOP TEN TIPS FOR THE WINTER

1. *Secure your house/garage/garden sheds.*
2. *Secure the contents of sheds using a good chain and padlock.*
3. *Property mark valuable items with postcode and house number.*
4. *Consider fitting a house/garage/shed alarm.*
5. *Make sure any side access from front to rear of your property is secure.*
6. *Don't leave garden implements lying around that could be used to break into your house.*
7. *Consider using gravel on driveways and around sheds this can deter unwanted guests.*
8. *Consider external lighting, sensor type around your property. Put lights on a timer so they come on when you aren't there, inside and out.*
9. *Don't leave property on show in your vehicles, remove all valuables.*
10. *If you are in the garden lock the house door and windows.*
